

WARDROBE & GROOMING – Pre-K through Fifth Grade

Trinity Oaks Christian Academy's wardrobe policy was established to provide a consistently attractive and neat appearance for all students and to avoid peer pressure in matters of dress. All students in grades pre-K through 5th grade are expected to follow these guidelines while on the school campus during the school day and on field trips unless directed otherwise. If a student is improperly dressed, a change of clothing will be required. Parent(s) will be contacted, and the student will wait in the office until a change of clothing is brought to school. Our goal at Trinity Oaks is not to inconvenience parents at home or at work during the school day; therefore parents should make themselves familiar with the wardrobe policy and ensure that their child is appropriately dressed before leaving home each day.

Special dress days (i.e. formal chapel, theme days) will be announced in the School Calendar or Parents' Page. Selected items can be purchased from Land's End or other vendor, as long as the style, color, and fit match those of the approved uniform companies. The administration will make the final determination regarding suitability of garments. In addition, the following guidelines apply:

Grooming

Hair should look neat and natural. Any hairstyle, hair color, or head appearance, which includes, but is not limited to, unnatural coloring, Mohawks, or designs shaved into heads, that tends to call undue attention is not acceptable. Hair should always be out of the eyes, regardless of how it is kept or worn, neatly trimmed, and well-groomed at all times. Boys' hair should be cut so that it is naturally off the collar and not be below the eyebrows. Body piercing (except for the lower lobe earring for girls), tattoos and drawing and writing on one's body are not acceptable.

Responsibility of Parents

- Parents should work with and guide their children to make good choices in the area of appropriate clothing and good grooming. We expect appropriate clothing and appearance decisions be handled at home to ensure compliance with Trinity Oaks standards.
- Because it is updated regularly to reflect current styles and trends, parents should review and familiarize themselves with the Wardrobe Policy on an annual basis.
- Should your child's attire be deemed inappropriate, parents should expect to receive a call from the school and be prepared to bring a change of clothing.
- In order to set a good example for students and others who may be visiting our school, parents are respectfully requested to refrain from wearing abbreviated leisure and exercise attire, plunging necklines, halter tops, or tight and revealing clothing of any kind when visiting the school, no matter how brief the visit may be.

Enforcement

The classroom teacher will contact the parent requesting greater attention be given to adherence to the school's Wardrobe Policy. Repeated violations will be handled by school administration and may require a change of clothing to be brought from home.
